### EXPERIENCE

Process Consultant Intern (Sep 2024 – July 2025)

I have 9.5 months of experience as a Process Consultant Intern, where I was a part of the delivery team. During this period, I contributed to process documentation, requirement gathering, and ensuring clear workflow understanding by collaborating with cross-functional teams within the organization.

- Collaborated with the delivery team to gather requirements and maintain accurate, up-to-date documentation.
- Created and maintained project-related documents with consistency, and attention to detail.
- Worked with cross-functional teams to clarify workflows, ensure smooth communication, and support successful project delivery.
